

PRICING AND PLANS

FREE PLAN	There is free access to create at most 5-page stories.
PAID PLAN	\$2 monthly subscription is paid to create, download, and save multiple stories.

FEATURES

-IMAGES/ILLUSTRATIONS

Images/Illustrations will be generated using keywords or prompts.

-WRITE A STORY

This is an essential feature that would enable users to write their stories in text format.

-CREATE FINISHED STORY

This helps users to create a finished page story from the generated image/illustration and write-up. Authors can collaborate when creating stories.

-DEVICES

Stories created and downloaded are synced and saved across all connected devices.

-SALES CONTACT

The StoryAi App offers sales and support contact for users who need more inquiries about the product.

-FAQs

The FAQ section is also available, where likely questions about in-depth knowledge of what the app is capable of, have been answered.

-TEMPLATES

Various forms of pre-formatted documents are available to choose from when creating new stories.

-THEMES

Concept and elegant color themes that suit your desire for each storyline.

-SIGN-OUT

Sign-out and Unsubscribe options are also made available for users.
